

**Robert Lynn Partridge,
Director of Business Development
ERS**

Robert Lynn Partridge, Director of Business Development for ERS, Inc., holds a Bachelor of Science Degree in Public Affairs and Environmental Studies. He has been with ERS since July 1998. Partridge has experience in industrial and municipal waste water treatment applications, industrial cleaning services and has managed multiple projects for ERS. He is responsible for managing and administering all ERS contracts and qualifications, including government contracts, and developing new clients and expanding existing accounts.

Partridge serves on many local and statewide committees, including: the Fort Wayne Chamber of Commerce Environmental Committee and Legislative Council; the Indiana Chamber of Commerce Environmental Committee; IDEM's Partners for Pollution Prevention Executive Committee; Emergency Management Alliance of Indiana, Indiana Forum for Environmental Safety, Ohio Spill Prevention Planning Emergency Response Association and local LEPC's.
